Technology made easy

We know how frustrating it can be trying to find your way around a computer, a smart phone or a tablet and that's why we have teamed up with BT and Sky to improve your skills and gain a better understanding of IT.

- How to use your device from scratch
- Making calls
- Staying safe on-line
- Social Media such as Facebook & WhatsApp
- On-line shopping
- On-line banking
- Manage your prescriptions and GP appointments
- Using public services

A friendly operator will contact you by phone and guide you through the basics and give you a better understanding about your device.

Get the best out of your your computer, tablet or smart phone and let us know what you want to learn to help you connect.
